## Lectures by Robin

### “Making a Difference Through Quilting”

This lecture tells the story of how quilting has made a significant difference in my life and hopefully in the lives of others.

During the lecture I will have a trunk show with many, many quilts. Most of the quilts I have made, many I have designed and some that were part of block exchanges. I will also bring many different purses and various bags that I have made throughout the years.

I believe that quilting has made a significant difference in my life and has allowed me the opportunity to make a difference for others.

### “K.I.S.S.”

#### Keep it Sew Simple

Beautiful quilts don't have to be difficult. Let me take you on a journey showing you how quilting can be simple and fun. Sometimes what you see as a quilt block is a trick of the eye and is actually assembled in a very different way. Do you like quilts set on-point but find it difficult to sew all those long diagonal strips together? Are set-in triangles a challenge? I will show you how I “Keep it Sew Simple”.

During the lecture I will have a trunk show and will show a wide variety of quilts, bags and other fun things I have made.

## Lecture and Workshop Fees

- Travel expenses to and from event. If within driving distance, current IRS reimbursement rate will be charged.
- Lecture—Fee of \$300.00 covers a lecture of 45—60 minutes. My trunk show will include many quilts, purses and bags.
- Workshop—Fee of \$400.00 covers a 6 hour workshop. Maximum number of students is 20.

### Additional Information

I would like to be able to sell patterns, kits and notions at both the lecture and the workshop. If this is a problem, please contact me ahead of time.

## Workshops

My number one seller, the ever popular “Letty’s Bag”. This bag uses 8 large grommets, fusible fleece and fabric. This is a pattern that has done extremely well in Quilt Shops as well as Sewing Machine Stores. When offered as a class, it always fills quickly.

“LLB”, Letty’s Little Bag is similar to its big sister but is fat quarter friendly. This bag only uses 4 medium grommets and fusible fleece. See how easy this bag is to make.

“Wacky Devine Nine” is the perfect fat- quarter quilt. Use just 9 fat quarters, a couple of border fabrics and before you know it you’ve got a great quilt. This is a fun and fast quilt that uses a stack and slash method.

“Magical 3-D Stars” is a delightful, fun quilt to make. After making the 3-D star blocks, you will add sashing and assemble your blocks as a straight set. After the quilt center is completed, make two strategic cuts and re-sew the cutoff pieces to the remaining quilt center, resulting magically in a quilt set on-point.

“Magical Slice and Dice” is a wonderful, fun quilt to make. After making four-patch kaleidoscope blocks you will add sashing and assemble your blocks as a straight set. After the quilt center is completed, make two strategic cuts and re-sew the cutoff pieces to the remaining quilt center, resulting magically in a quilt set on-point.

“Magnolia Lane” is a terrific two-fabric quilt. After making fairly simple blocks, you will assemble your blocks as a straight set. Once the quilt center is completed, make two strategic cuts and re-sew the cutoff pieces to the remaining quilt center, resulting magically in a quilt set on-point.

“Lattice Patch” is made up of 10” squares. For this quilt, you can either buy a set or two (depending on the size quilt) of pre-cut 10” squares or cut your own. The blocks themselves are fairly simple and quick to make. Once you assemble your blocks as a straight set make two strategic cuts and re-sew the cutoff pieces to the remaining quilt center, resulting magically in a quilt set on-point.

“Five, Ten, Twenty”, it’s all up to you. Use either five yards, ten half yards or twenty fat quarters to complete this easy to sew quilt. You will be making oversized blocks that will then be trimmed, making the assembly quick and simple.

### “Mini Projects”

Many of these projects can be combined together to make for a fun-filled day of sewing. We’ll move from one project to the next throughout the day. These make wonder gifts for a variety of occasions. Most of these projects can be found on my website or a picture can be provided at your request.

Wacky Zipper Bag, Book Cover, Sewing Machine Organizer, Picture Frame, Coffee Cup Sleeve, Shopping Bag, Tote-A-Long, Click-It Bag
